Grow in faith... Know it! Live it! Share it!

DATE: Sunday, April 7, 2019

TIME: 6 pm Sunday evening meeting

LOCATION: Kewaskum House of Prayer

TITLE: **Something From Nothing**

Which view makes more sense: God created everything, or NOTHING created everything?

According to the New York Times, "If 'On the Origin of Species' was biology's deadliest blow to supernaturalism, we may come to see 'A Universe From Nothing' as the equivalent from cosmology." Come hear Carl Kerby examine this claim to see which view makes more sense.

Reasons For Hope

Grow in faith... Know it! Live it! Share it!

But sanctify the Lord God in your hearts:
and be ready always to give an answer
to every man that asketh you a reason of the hope
that is in you with meekness and fear:

-- 1 Peter 3:15

Meet Carl Kerby: Carl was first introduced to apologetics by two pilots after he'd told them evolution was compatible with the Bible, which is what he'd been taught in Sunday school. These men pulled out their Bible and showed him that what the WORLD taught wasn't the same as what the WORD taught. With 50% to 88% of the younger generation raised in the church leaving the church by the age of 18, Carl's desire is for them to KNOW what they're walking away from. This can only happen if they're able to critically think and evaluate arguments so they can determine truth.

More about Carl: When he's not speaking, Carl loves being with his family and friends. He also enjoys the ocean - snorkeling, boogie boarding or fishing. Carl has two honorary Doctorates and a degree in Biblical Studies. However, his most important credentials would be SSBGTFIC – (Sinner Saved By Grace Through Faith In Christ) and husband/father and grandfather.

Co-Sponsored by: The Kewaskum Biblical Creation Group

We are a group of people from eight different church backgrounds and have been meeting for over three years at the Kewaskum House of Prayer. The Carl Kerby event will be followed by a time of Q&A discussion and fellowship over coffee and snacks. Join us Sunday April 7th!
